Policy: It is the policy of The Arc of Monroe that business, administrative and support functions promote personal and organizational outcomes.

Additional Information: In order to best ensure the safety of people we support and our workforce, and to assess appropriateness for their jobs, The Arc will conduct checks to ensure that staff, board members, contractors and vendors are not excluded from participation in Medicaid. “Exclusion” here means that the person or business cannot work in or for a Medicaid-funded agency, such as The Arc (they are “excluded” from doing so).

For the purposes of this policy, “staff” is meant to reflect employees (i.e., people hired by the agency as w-2 employees).

Exclusion checks are conducted through:

- NYS Medicaid Exclusion
- OIG exclusion list
- Federal System for Award Management (SAM) exclusion list
- Federal Specially Designed Nationals exclusion list
- State Medicaid exclusion lists where available

The government can issue the following penalties if we employ or contract with an excluded person or entity:

- Up to \$10,000 per violation
- Up to \$30,000 per violation if a previous violation occurred in the prior 5 years
